Mother's Kitchen

PTA is now set to rumble with a new routine of the new academic year.

We are all set to launch the Mother's Kitchen during end of this month.

We have planned to host the Mother's kitchen individually for each foyer.

This will ensure that the volunteer parent has manageable portions to prepare (about 250 pieces) and eases out the work.

We invite Mothers to come forward and volunteer in preparing sumptuous snacks foyer wise.

It would be great to share your culinary skills and indulge our children in your delicacies.

Please register yourselves before 9th September, 2018 with

Mrs. Shubhada Shah - 9920432305

Mrs. Kinjal Karia - 9920261663

Tasting session has been scheduled for 19th September, 2018.
