

CIRCULAR: Career Guidance Programme
(For Class 9 & 10)

REF: USGS/CIR/306/2018

DATE: 06/07/2018

Dear Parents,

I am sure you will agree that the joy of completing schooling is often subdued by the anxiety and apprehension over what is to be done next. Students and parents find themselves fretting over an endless array of career options, best institutes and popular courses, even before the child enters 11th grade.

We realize that it is imperative for students to identify their aptitudes, interests, career goals and aspirations in order to make well-informed decisions concerning higher education. To help students in this task, we have partnered with Univariety- a Singapore based organization that provides a support system to students and parents.

The programme will include talks, aptitude testing and individual counselling sessions. The students can also access their e-accounts and various other features (Webinars, Career e-books, online career activities and more across the year).

As part of this endeavour, we have arranged for a talk for students and parents of grades 9 & 10, details of which are given below.

Grade	Date	Time	Venue
9	19.7.2018	10.30 am – 11.30 am	Smt. Deviben Mehta Auditorium
10	19.7.2018	1.15 pm – 2.15 pm	

Parents are requested to be punctual, and be seated in the auditorium by 10.30 am/ 1.15 pm as applicable.

Thanking you,

Yours faithfully,

Mrs Rakhi Mukherjee
(Principal)
