**Circular: Sudoku Championship: 2018-2019**

Dear Parents,

Just like physical exercise; your mind need some exercise too. Playing Sudoku (and other Puzzles) actually *exercises your brain* extensively and has numerous health benefits.

We are offering our students an experience of a life-time. A special training programme for students to improve and develop their Sudoku solving skills.

There will be a Sudoku time **trial selection** conducted for our students on **11<sup>th</sup> June 2018** in the **auditorium** from **10.30 am – 11.30 am**, where the Top 20 winners will receive an opportunity to develop their solving style and speed with special training sessions conducted an ***Indian Sudoku Champion himself (India No.1 & World No. 2 current ranking)***

The selection trial is open to students of all age groups. So pick up that news paper or Sudoku book and start practicing. We don't want students to miss out on this Golden Opportunity!

Yours faithfully,

Sd/-
